ORDER NO. AFD 119 FGL 60

Dated: Bangalore 7th January 1963.

READ;

Correspondence resting with letter No. B3.215-927/60-61 dated 9th March 1962 from the Chief Conservator of Forests in Mysore, Bangalore.

O R D E R

=========

It is reported that certain forest areas in Handigondi State Forest were granted to some villagers of Ramanagaram Taluk on Agri-Silvi ~~kasix~~ system free of rent, on condition that the ryots have to raise forest crops as stipulated by the Forest Department and in between the planted areas, they can raise food crops. This is due to the fact that if once forest lands are leased out for growing food crops, it is felt that the lands will have to be surrendered permanently in due course in all most all the cases, as it is difficult to take back the lands once the lessees make substantial investment and improvement in bringing the lands under cultivation. It was also brought to the notice of Government, that those who are cultivating the lands on Eksali lease are all scheduled caste people and that their condition is deplorable. So, these people requested for the release of the area which is under Eksali lease on a permanent basis. Also it was brought to the notice of Government that several persons have lost their lands on account of construction of Thammanaikanahalli Tank.

After careful consideration of the request of the applicants, Government are pleased to release an area of 158 acres out of Handigondi State Forest in Ramanagaram Taluk for being given to the 79 applicants @ 2 acres each for cultivation permanently; as shown in the appendix to this order. The area is surrendered to R.D. for being given to the grantees for purposes of cultivation permanently with the usual terms of conditions as are in vogue in R.D. However before the area is actually surrendered to R.D. the malki on the area should be disposed of by the Forest Department.

The Chief Conservator of Forests is directed to take further action in the matter.
